Plan for the Extension of the Scientific and Fractical Departments of Washington College, Virginia. - This is a report of a commission constituting of R. S. Mo-Colioch, A. L. Neison, Wm. Preston Johnson, J. L. Campbell, and Wm. Allen, appointed at a meeting of the Board of Trustees of the College. The Lee, the President of the College, State, are, lst. The establishment of new Dapariments of Agriculture, of Commerce, and of Applied Chemistry; 21. A more complete development of the Engineering Schools now in operation, so that to the courses in Civil and Mining Enginsering shall be added a distinct course in dechanical Engineering, to embrace, besides Machinery, the most important branches of Practical Mechanics; \$1. The

ening of a farm and workshops in con-

ction with the instruction in Agriculure, industrial Mechanics, and practical Chemistry, Gen. Lee, in his letter submitting the born in corruption and nurtured upon ple could reach her. They should attack report, says:
the spoils of an oppressed people—a peosolion. Every genterman of any distinction that came to the hotel was immediately select upon by him and followed around in such an adroit manner as to leave the impression upon all who is the spoils of an oppressed people—a people who, while they pay all the taxes, are lowed around in such an adroit manner as to leave the impression upon all who is the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the embien of tyranny and oppression, struction in machinery and the other whose with the embien of tyranny and oppression that the spoils of an oppressed people—a people—a people—a people who, while they pay all the taxes, are desired the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation. It is besided the privilege of the franchise and the right of representation are the spoiled the privilege of the franchise and the right of representation are the spoiled the privilege of the franchise and the right of representation are the spoiled the privilege of the franchise and the right of representation are the spoiled the privilege of the franchise and the right of representation are the spoiled the privilege of the franchise and the right of representation are the spoiled the privilege of the franchise and the spoiled the privilege of the franchise and the spoiled the privilege of the franchise a proposed to establish a work shop in this department, where students may bethe mobile Register, Gra. Buckner, and that enough of the Brownlows, and do not desire to have the history of the last so very intimate with nat gentleman (according to his own account) that he spoke the Stokeses. Ether of them will continue to his own account that he spoke the stokeses. Ether of them will continue to his own account that he spoke the Stokeses. Ether of them will continue to his own account that he spoke the stokeses. Ether of them will continue to his own account that he spoke the stokeses to have the stokeses. Ether of them will continue to his own account that he spoke the stokeses the stokeses the stokeses the stokeses the stokeses the stokeses that the spoke the stokeses the s practical to theoretical knowledge. The great object of the whole plan is to prople. Our escape from them must be over the ruin of their political be over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, the Irish people over the ruin of their political where it floats over English soil, the Irish people over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin of their political where it floats over English soil, Canable over the ruin ov wood, the mother of his wife received a letter from her telling in
heart-rending words of how he had
again abandened her and her infant great advantage from the literary schools of the college, whose influence in the cultivation and enlargement of the mind is feit beyond their immediate limits." This is the plan which the New York Herald spoke of in such glowing terms a few days sgo, and whose remarks were copied by us. The adoption of the pro-ocsed plan will piece Washington Coi-
